## be the person your pet needs you to be

Spay or Neuter your pet and avoid unwanted litters. If you need financial assistance with that, we can help! Other ways to be a great pet parent:

- License and provide identification for your pet (tags with your name and your contact information and/or micro-chipping).
- Provide training, physical care, socialization and medical attention to your pet for their entire life.
- Do not allow your pet to become a threat or a nuisance in your community. Don't let them roam unattended!
- Adopt your pet from ethical and responsible sources (avoid puppy mill puppies and backyard breeders).

it takes people  
like you  
with a **big**  
**heart**

to help animals

**Spay/Neuter  
Voucher Program**

Having a pet spayed or neutered is the first line of defense against the needless killing of animals in our shelters across the country. Here in Grand County, our Shelter finds a home for every adoptable animal. But nationwide, more than 3 million cats and dogs are euthanized in shelters annually. These animals are healthy, loving pets that would have made a terrific companion if given the chance. Spay/neuter is the only permanent, 100-percent effective method of birth control for dogs and cats and eliminates the problem before it begins.

**Good Samaritan Program**

This fund was established to supplement charitable care at private veterinary practices within Grand County, providing one-time medical assistance to help a disadvantaged pet owner save the life of their beloved pet.

The Good Samaritan Fund is a last-resort financial option intended to support a one-time surgical or medical intervention for a pet with a good to excellent prognosis.

**Grand County Animal  
Shelter Support**

Grand County Pet Pals is the supportive arm of the Grand County Animal Shelter, a municipal shelter. We help to promote animals up for adoption on our web site, via social media and at fundraising events.

We also provide many of the items needed to make the canine and feline residents more comfortable. We enjoy a wonderful partnership between our team and the Shelter team!

**We value each life equally** regardless of age, color, breed or special need.

**We love being a friend to animals** and invite you to be a part of our mission.

By supporting our programs, **YOU** directly help pets and their people!
